6340 TaskMate Go Organizer Attachment Instructions

1. Insert the 2 supplied screws into holes on left side of TaskMate Go tabletop.
2. Also push screws down into 2 outside holes on TaskMate Go Organizer Tray making sure that organizer compartments are facing upward.
3. Thread supplied nuts onto screws and hand tighten.
4. Use a #2 Phillips head screwdriver to tighten screws until snug.

To use your TaskMate Go Organizer just rotate tray outward and fill with pencils, pens, paper clips, notepad and any other office supplies.
